

Ski MK Race Team Change Profile and Password

This document is designed to explain the process of changing your profile details and altering your password. There are certain fields within your profile that are required for booking sessions. Populating your profile will save a great deal of typing later on.

It is also advisable to change your password on your first log on.

1. From the Home Page sign in to the system using the user name and password the click "View Profile"

The screenshot shows the website interface for the Ski MK Race Team. At the top left is the team logo. In the top right corner, there are links for "View profile" (highlighted with a red box and a red arrow from the text above), "Change password", and a "Logout" button. A left-hand navigation menu lists various site functions. The main content area includes a welcome message, a "Join Today" call to action, and a list of upcoming training events. A sidebar on the right displays recent blog posts.
